Title I - Federally Funded Services

Title I is a federally funded program designed to improve educational opportunities by providing aid to elementary and secondary education. The intent of Title I is to expand learning opportunities while supplementing basic skills instruction in reading and math. This program serves students who have need of improving their reading and/or math skills.

The goals of the Title I program are to:

- Develop positive attitudes towards reading/language arts and math
- Individualize reading/language arts and math instruction according to student needs
- Increase reading/language arts and math achievement
- Increase student confidence and self-esteem
- Involve children with family in reading/language arts and math activities at school and home.
