

February 2020

ABC Club Connection

Princess Ball

Our 7th annual Father/Daughter Dance will be held on Friday, February 21, 2020 from 6-8 p.m. in the Elementary/Middle School gym. We are very excited to host another year of dancing, fun and family bonding! This event is open to all female students, **grades K-3**, and one male escort who must be over the age of 18. We will have a DJ to spin songs, as well as HH Photography taking pictures to commemorate the wonderful evening. Light refreshments will also be served. There will be a semi-formal dress code in place, which just asks for no jeans for any guests and a collared shirt for the male escort.

Pre-sale tickets are \$15.00 per couple; \$7.00 each additional female student. **Deadline for pre-sale tickets is Thursday, February 13, 2020.** Tickets purchased after this deadline, or at the door, will be \$30.00 per couple; \$15.00 each additional female student. Please see original invite for all the details or visit our Facebook page. If you have any questions, please don't hesitate to contact the ABC Club.

We encourage you to take advantage of our pre-sale price!

Santa Shop success! We had our most successful Santa Shop sales ever this year! We would like to thank each person who purchased from our Shop. A special thanks goes out to our volunteers who helped the children shop. We did not have nearly enough volunteers to get through the classes in an efficient way, but we pushed through and each child was able to shop. We hope that next year, we have more volunteers to help make this annual event even smoother!

Upcoming Events

Spring Fling Dance (4/5 grade only)

POLICY CHANGE!

New ABC Club Policy: Please note this year the ABC Club is requiring exact change for all of our sales. We will no longer be able to give change on any overpayment. We apologize for any inconvenience this may cause. Thank you for your cooperation.

Daffins Sale is in full swing!

Our Daffins chocolate bar sale is happening now, and is going strong. We have more chocolate waiting for your reorders too. If you have an order out, please remember that all money is due on February 10, 2020. If you need more, please just fill out a reorder form and send it in with your student. While some orders can be filled right away, please allow a couple days for processing.

The pizza & prizes party will be scheduled after the official end date of the sale. In order for your student to participate in the party, all candy must be paid in full by the party date.

We would like to thank everyone for the support with this sweet fundraiser!

Box Tops has changed again

While the beginning of the school year brought many changes to the Box Tops for Education Program, it was not done there. We have decided to pass the torch of handling Box Tops to our very own Student Council. All monies collected will still stay in our Elementary/Middle school as directed by Mrs. Thompson. We thank you for all your support with Box Tops and hope that you continue to support our school by sending in any box tops you clip, or by downloading the app and scanning your receipt.

Each year for the Spring Conferences the ABC Club provides dinner for our Teachers and Staff who will be here working throughout the day. Just like Fall Conferences the staff are here working all day before conferences. Due to conferences starting so early it is hard, if not impossible, for them to go home to change and eat, or even grab a bite from somewhere local. In order to show how much we appreciate them, we feed them. The ABC Club provides the main dish however we are in need of side items. If you would like to make or purchase a side dish, dessert, or drink please just text Julie at 330-883-1888 or email the ABC Club (below) to get your item(s) put on the menu. We appreciate anything you are willing to provide!
