Newton Falls Community Backpack Program

With the help and support of Newton Falls Schools, churches, and the community, the NF Community (food in) Backpack Program has continued to serve children of our schools. This project is meant to supplement a child’s weekend meals and snacks.

For their continued financial support during first semester, we thank NF Kiwanis Club and the Ladies Guild of Sts. Mary and Joseph Church. We also thank those who donated directly to the backpacks account at ASECU, including Ella Johnson CPA, Don and Carol Baker, Elsie Whetzel, John and Karen Burr of Anchorage, Alaska, a lady from NF Church of God, and several anonymous donors. We also thank former resident Janet Coburn who donated in memory of her late friend and co-worker Ethel Cecil. We also appreciate NF Subway, Sweets by Christine, and Lori Babbey, who donated cakes at the Halloween Cakewalk in the name of the backpack program, whose value added over \$129 to the food account.

We received food donations from a grandparent, several donors who brought food into the school, Nadia at Healthy Treasures, Vacation Bible School at First Baptist Church, NF First Christian Church, Don & Debbi Lawrence, John & Jackie Gordon, and from the boxes at NF United Methodist Church, Associated School Employees Credit Union, and Healthy Treasures. We again thank Mr. Clark at NF IGA and Mrs. Spicko at Shop ‘n Save for donating bags for the food items. Your generosity is so appreciated.

For donating new and used books, we thank Friends of the NF Public Library, Rick and Debbie Braun, Bob & Kathy Wujcik, First Baptist Church, Western Reserve Kiwanis Club, and the Church Mouse. We also thank Selina Pratt and her family for donating children’s books. Thank you to the United Methodist Church rummage sale for donating books as well as notebooks and to Kathy Wujcik who purchased pencils to add to the bags at the beginning of second semester.

We thank the following folks who helped with the weekly packing for first semester: NF

Kiwanis Club, Lori Babbey, Pastor Steve Spurlock and members of the First Baptist Church (Oct.-Nov. 13), Associated School Employees Credit Union (Nov. 20), NF First Church of God (Dec.), Mrs. Marianne Donley and members of National Honor Society and their friends (January). Thank you to those who came as last-minute packers when others couldn’t make it.

As a reminder, recipients are chosen by the school staff, and bags are distributed by school’s office. You can stop by any of the box locations to get a pocket-sized mini-grocery list for our wish list of foods. Monetary donations can also be deposited at ASECU; request your name/group’s name in the memo line.

You can reach us through NF Kiwanis Club’s website: <http://newtonfallskiwanisclub.webs.com>

Thank you, Newton Falls and our supporters!
