ABC Club of Newton Falls

Santa Shop is back!!

The ABC Club's annual Santa Shop will be held the December 6 – 9 and it will be full of wonderful presents the students can purchase for those that mean the most to them. Each year we have expanded our inventory and this year is no different. We have over 650 items to choose from! Unlike the companies that have been used at other schools, the ABC Club purchases all of our own items and passes the cost savings on to you. We have more items to offer and a variety of gifts ranging in price from \$.25 to \$10.00. There is something for everyone on your list with personalized gifts for Mom, Dad, Grandma, Grandpa, Aunts, Uncles, Sisters, Brothers, BFF, and Teachers. **Each year the ABC Club provides a "Santa Dollar" to each student. This is worth \$1.00 of merchandise and ensures that each child is able to purchase something and participate in the magic of Santa Shop.**

As you can imagine, such a large and magical Santa Shop takes a lot of work. We are in need of several volunteers to help our students shop! If you have a BCI on file with the school we would love if you could help out (please note background checks are only valid for 5 years) Volunteer sign-up sheets and schedules have already come home. Please sign up for a day (or 4) and return by December 3.
