Parents: I am having a hard time getting food and paper products in. GFS where I get my order from cannot get the items in stock. All due to covid and no one working I am told. I will do everything I can to keep the menu the same. I have been posting on Facebook in the evening with changes. K-1st have been having a hard time doing extras. I am trying to change it so they can continue to get them. Thursday-just chips Friday-just ice cream. All other grades are fine.

Offered daily-assorted fruit

Parents!! Please check out our online payment!! Go to My School Bucks .com
